Description: Since the beginning of the biblical counseling movement in 1970, biblical counselors have argued that counseling is a ministry of the Word, just like preaching or missions. As a ministry, counseling must be defined according to sound biblical theology rather than secular principles of psychology. For over four decades, biblical theology has been at the...

Review: If you are thinking that this is just a dry treatise on the theological underpinnings of biblical counseling you are wrong. Through real-life stories Lambert leverages the practical nature of applying biblical concepts to the challenges all of us face in life. That is why this book is deeply practical for Christians at every point in their walk. Chances...
